A Sensational Tribute to Sinatra and Streisand

BARBRA & FRANK

The Concert That Never Was

Picture Shown is of Actual Entertainers:
Sebastian Anzaldo as Frank Sinatra & Sharon Owens as Barbara Streisand

Best of Times is proud to bring to our stage what is **arguably one of the greatest and most realistic tribute shows to exist**. Never before have we seen a tribute show so realistic to the actual performers...just close your eyes and you will believe it's the originals, then open your eyes and before you there they are. The mannerisms, the voices, the look, it's all there.

It is unlikely that the two powerhouse voices of the century would have ever shared the same stage... until now! Two great artists paying tribute to their characters, singing the most memorable music and songs ever written.

Barbara & Frank never worked together, exactly, except when they taped a duet in separate recording sessions, but it's tantalizing to think what it would have been like to have Barbara Streisand and Frank Sinatra teamed up for a concert tour. Just imagine the possibilities. Would one have outshone the other? Would their on stage banter have been friendly or a bit snippy?

The rapport of these two 20th century icons is immediately prevalent. *What's On Magazine* states, "As good as the music is, the banter between the stars is equally memorable."
