**Saratoga Race Course** - The historic city of Saratoga Springs NY started out as a quiet little settlement with beautiful scenery and magnificent natural springs. As more and more people learned of its healing mineral springs, the area quickly grew into a luxury resort city with the rich and famous from all over the world making a point to visit the famed "Spa City" and experience the springs for themselves. The historic *Saratoga Race Course* opened in 1864 and is home to the oldest major thoroughbred horse race in the US. We arrive early to the track with *Reserved Grandstand seating and special lunch package*, with plenty of time to see the horses in action. While here don't forget to take a chance on a horse.
