

## LEGO® Workshops - Summer 2014 Grade 1-6

### LEGO® Robotics & Engineering

Participants will learn about motors, gears, pulleys, as they build a variety of different LEGO® models. Several new projects will be available for returning participants! Students will also have an opportunity to design and construct their own creations! We will also use laptops to create custom programs for our robots! Many new LEGO® Technic sets will also be available!, **Note: Participants do not take projects home.**

### LEGO® Minecraft Workshop

Explore the amazing world of Minecraft with LEGO®! Using official LEGO® Minecraft® sets, participants will construct a Minecraft Micro World by creating and customizing their own Minecraft village complete with houses and crops. We will also construct the Minecraft Obsidian Portal and The Nether complete with Netherrack, flowing lava, gravel, and bedrock. **Each participant will receive a custom-made take-home Minecraft® character! Note: Participants do not take projects home.**
