

LEGO® Workshops - Winter 2015 Grade 1-6

LEGO® Engineering Workshop

In this action-packed hands-on workshop, participants will use LEGO® Power Functions to construct motorized LEGO® projects. Participants will work from specialized instructions to create a variety of different projects including a racecar, working elevator, motorized crane, remote-controlled car, and a battle tank! Opportunity will also be provided for participants to customize their designs! Many new projects are available for returning students. Note: Participants DO NOT take projects home. Minimum 6/Maximum 18

LEGO® Star Wars Workshop

Travel to a galaxy far, far, away as you build your way through the Star Wars galaxy! Each day we will build your favorite Star Wars vehicles from Tatooine, Hoth, Naboo, Endor and many more! Dozens of projects for all skill-levels are available including the Star Destroyer, Boba Fett's Slave I, and the X-Wing. This is the ultimate experience for any LEGO Star Wars fans! Note: Participants do not take projects home.

LOCATION: Class is held in the Upstairs Large Room at the Exeter Recreation Building, 32 Court Street, Exeter.

REGISTRATION/DATE: Registration is open to students of Exeter and surrounding towns, on a first-come, first-served basis. Registrations are accepted at the Exeter Recreation Office during our business hours, on-line, mail or fax. Payment must be paid at the time of registration and a medical release form must be completed. Min 6/Max 18 Students.

FEE: Please make your check payable to: E.P.R.D. Visa and MasterCard accepted. Sorry, No Refunds unless the class is cancelled. A \$20.00 fee will be charged for each returned check.
