

**LET'S GET MOVIN'
EXPLORATION CAMP
AGES 7-12 YEARS OLD**

PROGRAM: The Let's Get Movin'! Exploration Camp is 3-day enrichment camp for children. The activities for camp are designed with your child in mind. Our philosophy is to encourage children to be compassionate and kind. The program builds a sense of community that extends outside of the classroom. Your child's experience will help them embrace a positive attitude while creating lasting, exciting memories. Your child will: experience the joy of yoga, music and meditation on a daily basis. Be introduced to sup-yoga (stand up paddleboard) on the Exeter River. Have an opportunity to work independently and as a part of a group. Create several craft projects. Prepare, cook, serve and enjoy lunch as a community for 2 of the days. Hike along the Exeter River and enjoy a picnic lunch packed at home. Enjoy a field trip to garden 55 with farmer bob: a journey into sustainable gardening and more! Note: tuition includes camp, all activities and materials and two of the lunches plus a signed Let's Get Movin'! CD and Miss Lyla's banana pancakes to the rescue book.
