

**Squam Lake Cruise  
&  
Natural Encounters Presentation**  
Wednesday, July 13, 2016

**EVENT:** Living in New Hampshire, we sometimes take for granted all the natural beauty that surrounds us. Here in the Granite State, we have it all: Mountains, lakes, and Oceans and all the living creatures that call this great state home. Join us as we take a leisurely cruise around Big Squam Lake and learn about the natural forces that created this lake, the wildlife that makes it so special, and the people that have enjoyed it for over 5,000 years! Following our cruise, we will have a Natural Encounters live animal program presented to us by a Science Center Naturalist that will showcase local New Hampshire animals up close. Here we will learn about and meet some of the animals you might see on a hike and what makes them suited for life in New England.

**Lunch is on your own at the Walter’s Basin Restaurant.** Walter’s sits lakeside on Little Squam Lake and has a huge menu to satisfy any cravings you might have.

**Lunch will be following our cruise and presentation at about 1:30pm. Please bring a snack if you think you may get hungry before then.**

**DATE:** The date selected is Wednesday, July 13, 2016. We will depart the Exeter Recreation Center parking lot at 8:00am and will be returning to Exeter approximately 4:30pm.

**COST:** The cost of the tour includes admission to Squam Lakes Natural Science Center and transportation in the Recreation Department Van.
