

Minutes of the Budget Recommendations Committee Police/Fire Subcommittee

October 10, 2024

Present: Don Cloutier, Dave Kovar, Judy Rowan

The subcommittee met today for 2 hours in the Wheelwright Room during which time we reviewed the Police and Fire budgets for 2025 and the CIP request of one ambulance. As a result of that discussion, we developed a list of areas that we wish to further pursue with the chiefs when we meet with them. We also discussed the BRC process and our focus as a subcommittee.

Respectfully submitted,

Judy Rowan

Police/Fire Subcommittee Chair
