

Attention: Exeter Vendors, Event Coordinators, and Town Departments

In March 2023, residents voted in favor of a citizen's petition that limits the distribution of single-use plastic food service products and plastic bags on Town property and at events issued a permit from the Town of Exeter

Prohibited Items

Distribution of

- Single-use plastic bags
- Plastic bottles
- Food service products
- Styrofoam containers

Exceptions

- Reusable plastic woven bags
- Compostable Products
- Food Safety Packaging Materials
- Items without Plastic-Free Alternatives
- Items brought by customers

NOTE: a 12 mo. grace period to use up remaining inventory was included

Oversight

- 1st report of non-compliance will be used as an opportunity to offer guidance to find alternative products
- 2nd report, permittee will be issued a letter of non-compliance
- 3rd report, permittee could be refused a future permit
