

1. Enter voting area from left side double doors
2. Go to table with initial for last name
3. State your name and address to clerk clearly and loud enough for election watchers to hear
4. Once you have finished marking the ballot you have to proceed to the voting machines and cast your ballot
5. Once you have finished voting you **MUST LEAVE** the voting area (RSA 659:25)
6. If you want to declare as an independent once again, proceed to the designated table to inform the Checklist Supervisor
7. If you find it necessary to speak with someone after you have voted you may do so outside the voting area – you cannot stay in the voting area once you have left the booth – you must place your ballot in the machine and leave (RSA 659:25)
8. Once you have left the voting area you are not allowed to re-enter the voting area (RSA659:26)
